**O R D E R:**

The All India Council for Technical Education in their letter 1<sup>st</sup> read above, conveyed the approval for establishment of new Engineering College in the name of Turbomachinery Institute of Science & Technology, Indresham Village, Patancheru Mandal, Medak District with an intake of 240 seats, subject to the condition of getting affiliation from respective University and fulfilling State Government requirements of admission.

2. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad, in his letter 2<sup>nd</sup> read above, has forwarded the approval of All India Council for Technical Education and the same was received by the Government on 23.8.2008 AN.

3. In his letter 3<sup>rd</sup> read above, the Secretary, A.P. State Council of Higher Education, Hyderabad has informed that the EAMCET Web counseling programme for the candidates who were already admitted in the under Graduate Engineering / Pharmacy colleges and desiring sliding to other colleges have commenced with effect from 24<sup>th</sup> August, 2008 and there is no scope for repeating the counseling for the above said programmes starting from rank 1 onwards in any subsequent phase of counseling and if colleges have to be included at this stage in the counseling process by repeating the whole counseling from rank 1, i.e., in order of merit, it would cause undue delay in completing the admission process and commencing the class work for the academic year 2008-09. In fact the class work is scheduled to commence on 24.09.2008 and the current (final) phase of ongoing counseling is expected to be completed only by 28.09.2008. He has therefore requested not to consider granting permissions for new Engineering / Pharmacy Colleges and variation of intakes / additional courses for the academic year 2008-09 after 23<sup>rd</sup> August, 2008. Hence no action has been taken at Government level, on the proposals of the Commissioner of Technical Education received after 23.8.2008 for according approval for setting up new colleges or for variation of intakes / introduction of new courses in existing colleges. So also in respect of the proposal of their college as there was no sufficient time left to process the same and issue orders on the same day.

::2::

4. In the meanwhile the Management of Turbomachinery Institute of Science & Technology, Indresham Village, Patancheru Mandal, Medak District has approached the Hon'ble High Court and the Hon'ble High Court in their interim orders 5<sup>th</sup> read above, directed as follows:-

" There shall be interim direction to the respondents 1 to 3 to consider the representation of the petitioners submitted on 23.8.2008 and pass appropriate orders so as to enable the petitioner to avail benefit of approval granted by the All India Council for Technical Education with regard to intake of students in different branch of Engineering course vide File No.730-50-736(E)/ ET/2008, Dt.19.8.2008".

5. In pursuance of A.P.High Court orders, the matter has been examined carefully by the Government. However, as stated above, since the Secretary, A.P. State Council of Higher Education, Hyderabad has intimated that the EAMCET Web counseling programme for the candidates, who were already admitted in the under Graduate Engineering / Pharmacy colleges and desiring sliding to other colleges, have commenced with effect from 24<sup>th</sup> August, 2008 and as there was no time left to process and issue orders on the proposal of Commissioner of Technical Education dt.23.8.2008 on the same and there was no scope for repeating the counseling for the above said programmes starting from rank 1 onwards, which is mandatory in order to satisfy the criteria of merit and transparency in the admission process, as stipulated by the Hon'ble Supreme Court of India in P.A. Inamdar Vs. State of Karnataka, it would not be appropriate to accord permissions either for new colleges or for variation of intakes in the Engineering / Pharmacy Colleges.

6. In the circumstances stated above, the Government having considered the matter carefully, have decided to reject the request of the Secretary, Turbomachinery Educational Society, 296, Street No.25, Jubilee Hills, Hyderabad for issuing orders permitting for establishment new Engineering in the name of Turbomachinery Institute of Science & Technology, Indresham Village, Patancheru Mandal, Medak District for the year 2008-09.

7. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad is requested to take necessary further action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
